Campaign Spending: [List of Filers](#)

As a long-time Kailua resident, a graduate of Kailua High School (1961), and a veteran attorney, I believe that I have the qualifications and the experience that we need in the State Senate. Our community means a great deal to me and I have made service to our community an important part of my life. I have served as a member and as the Chair of the Kailua Neighborhood Board and as a Kailua Jaycee. I am presently serving as the Chair of the Kailua High School Endowment Fund and as Vice-Chair of the Hawai'i National Guard Youth Challenge Academy Endowment Fund. Serving in these capacities has allowed me to share in the successes of our community and understand the challenges that we face. I have also built a strong foundation of government service as a Deputy Attorney General, eight years as a Deputy to Honolulu Prosecutor Chuck Marsland and as the health insurance attorney for the State Insurance Commissioner. These experiences have helped me gain a better understanding of our government and the positive impact it can have on people's lives. I know what it means to protect and fight for our citizens, something I hope to continue to do in the State Senate. I am running for State Senate to address four core issues: Crime Prevention, Taxes & the Economy, Traffic Congestion, and Alternative Energy. I believe that focusing on these issues will greatly benefit not only our community, but will benefit all of the people of Hawai'i.
